<https://www.rankonesport.com/content/Parent/Parent> I will send the link on remind as well)

If Yes is answered to any of the questions, students need to notify me and NOT come to rehearsal. If a student has a fever of 100 or greater, they will not be allowed into the rehearsal.

Students can be dropped off in the Stadium parking lot by the gate entrance to the field. KEEP YOUR DISTANCE FROM ONE ANOTHER. Only drumline, sousaphone students and 1 colorguard student should enter the band room to get instruments/equipment since they are much larger instruments. KEEP YOUR DISTANCE FROM ONE ANOTHER. Sousaphone, drumline the designated flag students may be dropped off by the building. KEEP YOUR DISTANCE FROM ONE ANOTHER.

Flute, clarinet, sax, trumpet, mellophone, trombone and baritone will not be allowed in the band room. You will go directly to the stadium and take out your instruments there and take them with you after rehearsal.

Cases will be left between the track and the goal post closest to Edgemere. KEEP YOUR DISTANCE FROM ONE ANOTHER.

Every Student will have their temperature checked as they enter the stadium area. KEEP YOUR DISTANCE FROM ONE ANOTHER.

Every student will have a mask. When we play, non-wind instruments will keep their masks on. When we play, we will be spaced at a greater distance than recommended.

Flag students will report first to the stadium gates then move to the blacktop/handball court area- you will get instruction by zoom. KEEP YOUR DISTANCE FROM ONE ANOTHER. 1 student will be allowed to go to the band room to get sound equipment and laptop/cart.

Students that must enter the band room will enter from the main breezeway and exit the back hallway of the bandroom, go to the right and exit near the girls restroom. KEEP YOUR DISTANCE FROM ONE ANOTHER. If students need the restroom, they will enter the band room from the breezeway, exit to the back hallway, use those restrooms, then exit to the left by the girls restroom.

Every student MUST BRING THEIR OWN WATER! You will not have access to water fountains. Please use a water jug or reusable water container and NOT SINGLE USE water bottles!

We do not have performance masks or bell covers, for that reason will be spread out further than recommended without masks, just to be sure.

Returning students that had a physical last year do not need a new one to participate by UIL band rules but I really need for them to get one for 2 reasons: 1, things can change over a year and it is better to be safe than sorry. 2, thanks to coach Routledge and trainer Mr. Abrel, we will be on Rank 1, a system that keeps track of physicals and student information such as medical allergies, emergency information, etc, and it allows students to be covered under the insurance provided to student athletes. Only students that have a yearly physical can be covered. Rank 1 has a very easy to use Covid-19 daily survey that we will use.

If you have any questions, please feel free to contact me on Remind, email or text.
