

EPISD High School Community Band

Andress High School
5400 Sun Valley, El Paso 79924

Let's Make Music!!

Directors, Students and Parents;

We are organizing a 6 week, 12 rehearsal EPISD HS community band for any and all **high school band students** and their directors. The goal is to simply enjoy playing music again in a safe, and socially distanced manner within our community. The season will conclude with a stadium concert for El Paso in May 2021.

Why Andress High School?

Andress HS has a fantastic outdoor rehearsal facility that allows for socially distanced rehearsals that can accommodate up to 90 musicians. The outdoor, 3 tiered amphitheater provides a safe place to rehearse as we return to the joy of making music.

Rehearsals will be each Monday and Wednesday starting on March 22, 2021, 5:00pm - 7:00pm (weather permitting).

Students simply need to show up with an instrument! Music, stands, percussion and seating will be provided.

This high school community band (grade 9-12) is free, and open to any interested EPISD high school band student. Please contact your band director or email Mr. Chapman at Rwchapma@episd.org if you are interested in participating.
